WELCOME AND SPECIAL ACKNOWLEDGMENTS

Welcome to the 2021 WPSA Conference. As we come together virtually, we grapple with the reality that the COVID-19 global pandemic has led to the loss of more than 500,000 lives in the United States and over 2.5 million globally. In addition to the pandemic, or perhaps exacerbated by it, the wave of global protests in Myanmar, Hong Kong, Spain, Russia, India and the United States highlight new levels of social, economic, and political precarity and the need for critical research that explores these interrelated issues. To capture these inter-locking crises, this year's theme is "Populism, Nativism, Democratic Backsliding, and Pandemic Politics."

Despite the disruption for academic institutions worldwide because of budget-related issues caused by the pandemic, the conference continues to feature a range of scholars and practitioners whose work exemplifies the best of our discipline. The outstanding program committee put together panels that reflect the diversity of interests and methodological approaches that WPSA continues to foster. The response by members and their submissions allows this year's program to feature sessions that focus on the interrelated nature of this year's theme. These include "Populism, Polarization, and Far-Right Politics" (Thursday, 10 am); "The Trump Presidency: What Have We Learned?" (Thursday 1:15 pm); "Worst-Case Scenario: Responding to Environmental Crises and Doomsday Prepping" (Friday 10am); "Immigration Power, Politics, and Policy" (Friday 1:15pm); "Protest, Dissent, and Response in Comparative Contexts" (Friday 3:15); "Identity & Nationalism" (Saturday 10 am); and "Populism, Paranoia, and Phobia" (Saturday 1:15 pm). We hope that these and other panels, mini conferences, and workshops will lead to thoughtful exchanges, even while we do this in a virtual format.

In a truly unprecedented academic year, filled with upheaval and uncertainty, I am grateful to the members of WPSA for your research, insights, and overall support of the association. Of course, given the significant changes in format, the conference would not have been possible without the levels of commitment from several people. Richard Clucas and Elsa Favila, the executive director and associate director of WPSA, were instrumental in the key moments in the planning of the conference and remained steady even when faced with dramatic logistical challenges. This also required substantial flexibility and innovation from the section chairs who initially had to plan for a dual-format conference and switched to a virtual-only conference. I am extremely grateful for your dedication and perseverance. THANK YOU.

I would like to thank the exhibitors for your continued support of WPSA.

Finally, I would like to thank the executive council. In a year when we were unable to meet during our normal scheduled meetings, seeing everyone via zoom on extended meetings reminds me of how lucky we are to have such dedicated scholars in the leadership of the association. Of course, WPSA President Jessica Lavariega Monforti's leadership facilitated necessary changes to the "new normal" of political science.

While we won't have the usual space in the conference hotel lobby to catch up with friends and colleagues, I trust that the intellectual exchanges during the various sessions will be memorable nonetheless. I wish all our members, presenters, and participants good health and spirits. Please mark your calendars for next year's WPSA when we will be celebrating the 75th anniversary of the association in Portland, Oregon. It will be held March 10 through 12, 2022, at the Hilton Hotel in Portland, Oregon.

WPSA Anti-Harassment Policy

1. Purpose

The Western Political Science Association was created for the purposes of promoting the study and teaching of government and politics, to foster research, and to facilitate the discussion of public affairs. The Association promotes these purposes in the spirit of free inquiry and free expression. The primary event in which WPSA members gather is at the Association's annual conference. Harassment of colleagues, students, or other participants at the conference, or at any other WPSA-sponsored event or forum, undermines the principle of equity at the heart of the Association's principles and is inconsistent with the principles of free inquiry and free expression. Consequently, harassment is considered by the WPSA to be a serious form of professional misconduct.

The WPSA is committed to providing a safe and welcoming conference environment for all participants, regardless of race, gender, sexual orientation, gender identity, ability, ethnicity, socioeconomic status, age, or religion.

"Participant" in this policy refers to anyone present at or directly involved in WPSA meetings, including staff, contractors, vendors, exhibitors, venue staff, WPSA members, and all other attendees.

2. Expected Behavior

All participants at WPSA meetings are expected to abide by this Anti-Harassment Policy in all meeting venues including ancillary events and official and unofficial social gatherings.

- Abide by the norms of professional respect that are necessary to promote the conditions for free academic interchange;
- If you witness potential harm to a conference participant, be proactive in helping to mitigate or avoid that harm;
- Alert conference or security personnel if you see a situation in which someone might be in imminent physical danger.

3. Unacceptable Behavior

Unacceptable behaviors include:

- persistent and unwelcome solicitation of emotional or physical intimacy;
- persistent and unwelcome solicitation of emotional or physical intimacy accompanied by real or implied threat of professional harm;
- intimidating, harassing, abusive, derogatory, or demeaning speech or actions by any participant in an WPSA meeting and/or at any related event;
- prejudicial actions or comments related to race, gender, sexual orientation, religion, ability, ethnicity, socioeconomic status, age, or religion that coerce others, foment broad hostility, or otherwise undermine professional equity or the principles of free academic exchange;
- deliberate intimidation, stalking or following;
- harassing photography or recording;
- sustained disruption of talks or other events;
- physical assault (including unwelcome touch or groping);
- real or implied threat of physical harm.

ANNUAL AWARDS AND AWARDS SUBMISSION DEADLINES

At the 2022 Annual Meeting, the Association anticipates the following twelve awards:

The **Betty Moulds Lifetime Service Award**. This award was created to honor the contribution made by Betty Moulds to the WPSA. Moulds had an extraordinary impact on the association during her 25 years as its chief administrator. The Association would not enjoy the success that it has today without the efforts she made during all her years of service. The award is given to an individual who has made a long history of service and an extraordinary contribution to the WPSA

The \$250 **Betty Nesvold Women and Politics Award** for the best paper on women and politics presented at the 2021 WPSA meeting.

The \$250 **Award by Committee on the Status of Blacks** for an outstanding paper discussing issues and problems that concern most Black Americans.

The **Clay Morgan Award for Best Book in Environmental Political Theory**: This award is to recognize outstanding scholarship, published in a book-length monograph, which utilizes the resources, literatures, and approaches of the field of political theory to address intersections between contemporary or historical environmental challenges on the one hand and the philosophical and ideological concepts, principles, and debates animating political life on the other. While the focus of the award is on political theory, we welcome books that make a contribution to the field from related disciplines – including, but not limited to, anthropology, environmental humanities, ethnic studies, geography, indigenous studies, philosophy, political economy, science and technology studies, or sociology.

The \$250 **Charles Redd Award for Best Paper on the Politics of the American West** for the best paper on the politics of the American West presented at the 2021 Annual Meeting. Papers may cover a broad range of topics—governance, policy, culture, politics—and may compare the West to other regions. The Charles Redd Center for Western Studies at Brigham Young University and the WPSA jointly offer this award.

The \$250 **Don T. Nakanishi Award for Distinguished Scholarship and Service in Asian Pacific American Politics**: This annual award will recognize outstanding scholarship or service advancing the understanding or practice of Asian Pacific American politics. The recipient will be someone who has made a significant contribution to the understanding of Asian Pacific American politics (scholarship that examines more than one ethnoracial group is also eligible), or whose professional work has made a substantial contribution to the practice of Asian Pacific American politics.

The \$250 **Dissertation Award** for the best doctoral dissertation completed at a university within the regional groupings of the WPSA between July 1, 2020, and June 30, 2021.

The \$250.00 **William E. Connolly Award** for the best political theory paper in contemporary democratic thought, whether recognizing daring and innovative work by a young scholar or a bold new line of inquiry by an established scholar. It is named after William E. Connolly, world renowned political theorist, revered teacher and mentor, and long-time WPSA member.

The \$250 **WPSA Best Paper Award on Environmental Political Theory** for an outstanding paper on environmental political theory presented at the 2019 WPSA meeting.

The \$250 **WPSA Best Paper Award on Latino/Latina Politics** for an outstanding paper on Latino and/or Latina politics.

The \$500 **Pi Sigma Alpha Award** for the best paper presented at the 2019 WPSA meeting.

Theme: *Lighting Up the New Dawn— Recover, Reconcile, and Rebuild @ 75*

Meeting in the WPSA headquarter city of Portland and in the state of Oregon, home to indigenous nations for thousands of years before the Lewis and Clark Expedition, the 2022 conference location carries a unique significance derived from the city's location, history, and the association's milestone anniversary. Portland leads the nation in green urban planning and was a major site of daily protests against George Floyd's murder in Minneapolis. As we plan to hold one of the first in-person meetings in the discipline following the COVID-19 pandemic, we anticipate a heightened level of enthusiasm in the reunion. This annual meeting will also mark the 75th Anniversary of the WPSA, and we plan to make the event a major celebration of the Association's unique contributions to political science, both those in our history and those yet to come.

In the wake of a nation tormented and torn apart by the twin pandemics of COVID-19 and racism, American Youth Poet Laureate Amanda Gorman opened a new page in American history on President Biden's inauguration day by alluding to a new dawn which "blooms as we free it." **What marks a new dawn, and what role can we political scientists play, as individuals and as members of an association now reaching the golden age of 75, to help chart paths to "rebuild, reconcile, and recover" a besieged and dangerously divided nation?** How can our research and teaching contribute to light up the new dawn? What is the new dawn for WPSA? Under what circumstances will it bloom?

We invite proposals that discuss the various possibilities from the vantage points of our very broad and diverse range of sections to help imagine together a more just and inclusive new dawn for America and for the world. We encourage members to submit proposals that discuss whether we need new paradigms of thinking about politics and democratic governance and identify where to rebuild, what to reconcile, and how to recover in the post-pandemic era.

**WESTERN POLITICAL SCIENCE ASSOCIATION
IS HAVING A BIRTHDAY!**

75 YEARS OLD IN 2022!!

WE ARE PLANNING A MAJOR CELEBRATION
OF THIS EVENT AND WE INVITE YOU TO BEGIN PLANNING

As we see it, WPSA annual meetings are the only conferences that we really want to attend! We hope you share our appreciation for this unique professional organization. We're planning multiple events and activities to celebrate and will be announcing these soon. Meanwhile, though, as you come together virtually with your friends and colleagues in WPSA's multiple sections and related groups in this year's annual meeting, please think about and discuss proposing a theme panel for the 2022 annual meeting in Portland, Oregon, where we'll be celebrating the big anniversary.

We believe many of you will agree that among the WPSA's unique virtues are multiple sections and related groups that have played a special role in the evolving development of political science. A number of our groups have innovated new approaches to study and discuss political life that have made uniquely valuable on-going contributions to the discipline. Together with the 2022 Annual Meeting Program Chair Pei-te Lien (a member of our planning committee), we propose a series of theme panels in which a number of our sections and related groups will read, hear and discuss papers that tell the story of the group and articulate its contributions to the discipline of political science – past, present and future. After the 2022 annual meeting we hope to collect, edit and publish the best of the papers in either an edited book or in a special journal issue that will serve as a permanent memorial to the unique strengths and contributions of WPSA.

We ask you to begin discussing whether your group would like to propose such a theme panel and the form that such a panel might take. We can envision panels with multiple papers on specific aspects of the group's history and contributions to the discipline, or panels with one paper (co-authored or single authored) to which discussants would respond. Or you might propose a roundtable where panelists respond to prepared questions that address the conference theme. We hope your group will begin discussing this unique occasion and opportunity during the upcoming 2021 annual meeting.

We'll be back in touch soon with more information on our plans for commemorating the WPSA at its 75th Anniversary party.

WPSA 75th Anniversary Planning Committee members: Ange-Marie Hancock Alfaro, Richard Clucas, Louis DeSipio, Valerie Martinez Ebers, Rodney Hero, Jane Junn, Ron Schmidt (chair), Gary Segura. Ex-Officio: Pei-te Lien (2022 Annual Meeting Program Chair), Elsa Favila.
