From LAX to the conference

Listed below are the options from LAX to the Marriott at LA Live. You will find a price range on each option as well as estimated travel time. Another airport option to consider would be the Hollywood-Burbank airport. The airport itself is smaller and easier to navigate. The travel times and costs found below are similar if you chose to fly into Burbank vs. LAX.

Options from LAX:

Rideshare (Uber/Lyft) (Note: As of this year, LAX no longer allows rideshare drivers to pick up and drop off at LAX. They must pickup and drop off at parking lot just outside of the airport. For travelers coming into Terminal 1 – Southwest Airlines, it is a short walk, others may want to take the rideshare busses that are clearly marked and will drop you off at the rideshare area.)	\$30-35, 40-45 min
Taxi (Note: the rule for rideshares also applies to taxi service. The taxi companies are actively fighting the rule and the situation remains fluid.)	\$40-\$45, 40-45 min
